I. Statement of Reasons for Allowance:

The following is an examiner's statement of reasons for allowance:

The prior art cited herein fails to disclose a traffic control system/method for coordinated operation of an a plurality of traffic control lights, a malfunction management unit having input terminals for receiving control signals grouped in channels and used to operate the traffic control lights, assignment means for selectively establishing a parent channel-child channel relationship between selected ones of the channels for the purpose of Red Fail testing, monitoring means for detecting a Red Fail fault from the signals in the parent channel and the child channel and for generating a Red Fail fault signal when all parent channel signals and some child channel signals are concurrently inactive, and an output coupled to the monitoring means for controlling the operation of an output relay used to transfer the operation of the traffic control lights to a flashing mode of operation when such a Red Fail is detected.

The Information Disclosure Statement filed on December 30, 2005 was not in proper form, therefore, the PTO-892 Notice of Reference Cited has been made to include all documents cited in the Information Disclosure Statement filed on December 30, 2005.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
